Smith College

Dear Miss Butler:

Thank you for your letter of April 11  
and your interest in our Vocarium service.

As a rule, we do not have any service  
regarding free records and radio programs.  
However, I am sending you two complimentary  
records--T. S. Eliot's "Love Song of  
J. Alfred Prufrock" and Archibald MacLeish's  
"Excerpts from Poems". We will be most happy  
for you to use these discs on your program  
and hope that they will be of interest to your  
listeners.

I am enclosing our latest list of re-  
cordings. <sup>enquire</sup> (He didn't enclose them) → P.B.B.

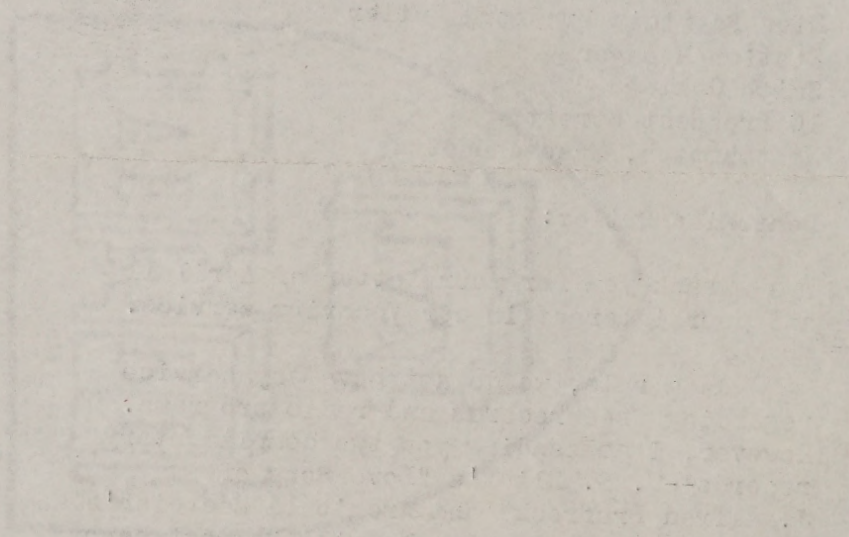

Sincerely yours,

*Charles L. Grace*
